Keelboat Measurement and Cruising SI Update

The following clauses have been altered in the Keelboat Measurement and Cruising and Classic Division Sailing Instructions and now read as follows:

1 [SP] CREW DECLARATIONS

- 1.1 All boats shall register their Crew Declarations via the TopYacht Entry System. Crew declarations shall be completed after 0100hrs on the day of the race and before 15 mins prior to the warning signal of the boat's first race of the day via this link <http://tymob.net.au/1800> . Failure to lodge a crew declaration will result in the boat being scored DSQ without a hearing for each race the boat fails to lodge a crew declaration for on that day.

QR code to Crew Dec Link

Rationale:

- A URL is added to the Topyacht crew declaration system.
- A QR code is added to the SIs for the crew declarations.

Updated SIs are available here: <https://www.liptoncup.com.au/race-documents>
